

The background features a complex network of white lines and dots, resembling a molecular structure or a data network. The lines connect various points, some of which are larger white circles. The overall aesthetic is clean and modern, with a color gradient from deep purple at the top to a bright pink at the bottom.

# Twisted Bonds

By Cora Reilly

## Twisted Bonds Cora Reilly

Can you ever truly leave the past behind in a house full of haunted souls?

## Twisted Bonds Cora Reilly Epub

Kiara always wanted a loving family she could take care of. She never thought sheâ€™d find it with the Falcones.

Nino and Kiara both lost part of themselves in their traumatic childhood. Together theyâ€™re trying to recover the missing pieces, but they arenâ€™t the only broken souls in the Falcone mansion; Kiara fears that not all of them can be saved. Determined to protect her new family and the future of her dreams, sheâ€™s on a mission to help each of them in her own way, even if it means stacking up secrets.

## Twisted Bonds Cora Reilly V1

Four brothers bound together by an unbreakable bond forged in their dark past. If one of them falls, will they all?

When i ever read, I give all myself to the book between my hands.. Sometimes I wandered, why i always take very\_too long time, and thatâ€™s simply because i read like a tortoise, i found out, by that way, my

brain transform the words to live pictures, especially when the author have a magical stuff..

Twisted Bond.. I can't not say, you can't cry, but i can say that your hearts will gonna melt  
Oooh, Remo, Serafina, Savio, Adamo, Fabiano, Leona, Nevio and Greta.. each single character of them, you shouldn't miss or postpone the opportunity to knew them more and more..  
When i ever read, I give all myself to the book between my hands.. Sometimes I wandered, why i always take very too long time, and that's simply because i read like a tortoise, i found out, by that way, my brain transform the words to live pictures, especially when the author have a magical stuff..

Twisted Bond.. I can't not say, you can't cry, but i can say that your hearts will gonna melt  
Oooh, Remo, Serafina, Savio, Adamo, Fabiano, Leona, Nevio and Greta.. each single character of them, you shouldn't miss or postpone the opportunity to knew them more and more..  
( Nothing worth having comes without a price, without fight)  
So, if you want, more Kiara, mor Nino and the Falcone Brothers, how the life is still put the challenges in their ways, how they struggled brutality to protect, help, save and love each other in this story where Kiara played a key role while she was desperate to get her greatest dream.. To become a MOTHER. You have to buy this masterpiece.

Thank you Cora, you are gorgeous.. 2019 was very hard for me, i went through too much.. Unexpected difficult circumstances happened to me, but with your Great Novels, I found a gentle consolation, no matter what the reality imposed itself over me.. i just open my kindle, and start reading to give myself the power, hours of warm and forgetfulness..

You, and only your words could touch a very deep spot in my heart..

Congratulations.

For many of successful years and brightening future i pray to my God to give it to you. »

I love reading.. The Novels means a lot to me, it's my private world, with them i find myself.. We don't just read, we taste the pages, embrace the phrases, travel so far like you sprawling over the clouds... And what a great chance, when you figure out an incredibly strong writer, give you ways to communicate directly with.. No matter what it cost you because we can not wait for the next novel.. we always very excitement and want the time pass too fast.. sometimes i feel that i will go crazy..

But, i believe that my patience won't go in vain.. Massive reward coming after that amazing torture... That simply our real situation in Cora's flamingo squad group

Kiara had went through the hell, she struggled her demons, and she won.. Nino, her husband, stood beside her, but the battle was too difficult, the past was insisted to dig its claws and shackles...

Step by step, the two of them managed to reached safehold.. Yet, the path was branching out to many

Twisted Bonds

destinations, which one they must choose it, was depends of the revelation of the heart (The Kiara's and Nino's hearts)..

Love, is the master leader, its vibrations are "The strongest motivation to challenge the impossible"

GAH!! I was so excited that we were receiving another book with Kiara and Nino and the rest of the Falcone brothers. Anyone who knows me knows that I absolutely DIE for this author and her mafia kindle crack, but the Camorra Chronicles is on another level for me. I love the bond of their family and the utter devotion and love they all have for one another. For that reason I knew that this story would be incredible as Kiara would be able to heal and help provide a much needed balm to the wounds i  
GAH!! I was so excited that we were receiving another book with Kiara and Nino and the rest of the Falcone brothers. Anyone who knows me knows that I absolutely DIE for this author and her mafia kindle crack, but the Camorra Chronicles is on another level for me. I love the bond of their family and the utter devotion and love they all have for one another. For that reason I knew that this story would be incredible as Kiara would be able to heal and help provide a much needed balm to the wounds in her family while banishing her own demons and monsters of the past.Â

Without giving away any spoilers, this story was absolutely incredible! It was raw, gritty and so emotional. Kiara was strong and determined. Her journey wasn't an easy one but because of Nino's love and support and the protection of the Falcone family, she was able to help heal the hurts and demons that haunted the hearts of her loved ones. Overall, I absolutely loved this story and how Reilly was able to tie up so many loose ends while also intriguing us and drawing our interest in future storylines. I seriously can't wait for more! Bravo! 5 stars! ~RatulaÂ ...more

## Twisted Bonds Cora Reilly Pdf

bless this author for giving us more nino+kaira!! also leave it to her to always blow our minds with brutal endings.

i honestly dont know what the purpose of this book is, but im glad that it's told in alternating perspective of nino and kiara. they're my favorite couple in this series. they've initially had their own book in the previous installment, twisted emotions (book 2). so this is i guess a sort of companion novel to ramo and serafina's book, twisted pride (book 3). basically the majority of the events in this book consist of the same key events in the third book, except they're seen through nino and kiara's pov. however, this book also has some major new additional scenes that will be important to know going into the next book. so it's best that you do not skip this.

â† notable emotional transformation arc  
it was quite uplifting seeing kiara's healing journey after what she's experienced as well as seeing her struggle in coming to terms with her "ailment". i mean, to be a survivor and having to deal with the loss of "the ability" that is considerably valuable to a woman is not the kind of trauma that you get to recover from in a mere couple of days. it's not that her condition is unfixable or anything. but still, it's hard.

â† heartwarming family bonding moments  
it was also nice seeing how the falcone family slowly bonded with each other. and ahh babies!! im always more happy when a book's got cute adorable little humans. also, savio's grown on me in this book. i like him more and more. i cant wait to read his book. and ugh all the shit with adamo was really annoying. but then again, he's only fifteen. he'd learn from his mistakes.

overall thoughts  
for the most part, i really enjoyed this book. there wasnt much going on in regards to the plot. 60% of it was a repetition of the previous book whilst the other 40% was some new added complications relating to adamo and the brothers' unresolved issues with their crazy ass mother. nonetheless, it didnt feel redundant to me bcs i liked being in kaira and nino's head. i also think this book gave a solid foundation for adamo's upcoming book. the pace, i would say, was steady. the steamy scenes were too many and a bit gratuitous for my liking at the beginning, but it was happening less and less as more complicated matters started to unravel. sometimes those scenes were hot, but other times they gave you the tongue in cheek effect bcs of nino's weird dirty talk. the writing wasnt the most mesmerizing, but it wasnt so bad that it disrupted my reading experience. ...more

**\*\*ARC provided in exchange for an honest review\*\***

"Sometimes I feel like my insides are a raging flood of emotions when I look at you, but I don't mind drowning."

Twisted Bonds is a (full-length) continuation of Nino and Kiara's story, which was told in Twisted Emotions. One of my remarks for that book was that I didn't feel that the story was complete and I wanted more development for the characters. So I was very happy that this book was focusing on that couple again. There was still a lot that **\*\*ARC provided in exchange for an honest review\*\***

"Sometimes I feel like my insides are a raging flood of emotions when I look at you, but I don't mind drowning."

Twisted Bonds is a (full-length) continuation of Nino and Kiara's story, which was told in Twisted Emotions. One of my remarks for that book was that I didn't feel that the story was complete and I wanted more development for the characters. So I was very happy that this book was focusing on that couple again. There was still a lot that I wanted for this couple, so I was really excited to see how everything would develop further for them. Twisted Bonds was a great addition to The Camorra Chronicles. I loved seeing how every character was doing and handling all the good and bad from the previous books. The family aspect was strong on the foreground and I enjoyed seeing how the brothers got through things from the past. I liked getting to know Adamo and Savio better in this book, and it really has me excited for their books. The relationship between Nina and Kiara transformed in this book, and I especially loved seeing Kiara grow stronger.

"All of us have experienced horrors in our past but we'll create a beautiful future together."

Twisted Bonds was suspenseful, romantic, sexy, emotional, funny, and it pretty much had everything I enjoy in mafia romances. I am really happy that Cora decided to continue with Nino and Kiara's story. It finally feels complete. They go through a lot in this book but they never lose sight of what is important in life. I loved seeing the dynamics change between the brothers and I look forward to seeing what will happen next. I am satisfied with how everything worked out in this book. Nowadays I don't read a lot of mafia romances, but I will never pass up on a book written by Cora Reilly. I am dedicated and feel a connection to her characters, and always look forward to seeing how they are doing. ...more

\*ARC provided by the author in exchange for an honest review\*

Twisted Emotions ended on such a heart-wrenching high with Nino finally professing his love for Kiara, it was a given that their story wasn't to be ended there.

Twisted Bonds picks up from where Twisted Emotions had ended, with Nino coming to terms with his feelings for his wife. Nino & Kiara's relationship is explored more as the book progresses and above all else the dynamic between the Falcone family & Kiara is shown extensively and my my was that a treat. It is important to read Twisted Pride (TP) before this as a significant portion of that timeline was a part of this book in order to show how much the events that transpired in TP affected Nino & Kiara's relationship. What ensues after the events of TP is just an avalanche of action-packed, gut-wrenching and tear-jerking moments.

Twisted Emotions ended on such a heart-wrenching high with Nino finally professing his love for Kiara, it was a given that their story wasn't to be ended there.

Twisted Bonds picks up from where Twisted Emotions had ended, with Nino coming to terms with his feelings for his wife. It is important to read Twisted Pride (TP) before this as a significant portion of that timeline was a part of this book in order to show how much the events that transpired in TP affected Nino & Kiara's relationship. What ensues after the events of TP is just an avalanche of action-packed, gut-wrenching and tear-jerking moments.

Nino & Kiara's relationship evolved so much in this book. They had to experience so many highs & lows but through all of it they came out stronger and became a force to be reckoned with. Seeing Kiara emerging out from her shell, and not letting her past get in the way of her newfound happiness was an absolute delight. Her strength, her pain, her struggles and above all else her compassion & love for those around her make her truly endearing.

Twisted Bonds was filled with romance, action, conflicts, Falcone humor and above all else familial bonds. This series' exploration of the dynamics between each family member and the trials & tribulations that they face is truly what sets it apart. Twisted Bonds is such an integral book in the Camorro Chronicles because it serves as a bridge and lays the groundwork for the storylines for the next Falcone brothers and potentially other characters. Onto Savio's book now, 2020 can't come soon enough.

Cora likes to play with my emotions!

I was lucky enough to read an ARC and I can't even tell you how many times I cried, laughed, sobbed, was angry, was happy, was excited, was terrified.

This book just has the whole package for me.

It was hot but the angst is real!

Nino and Kiara's journey takes a very interesting turn and I actually wasn't sure how this was going to end, it made me a little worried and I felt like with every page I was left going "OH DAMN!" whether that be a good/bad.

However I will say Cora likes to play with my emotions!

I was lucky enough to read an ARC and I can't even tell you how many times I cried, laughed, sobbed, was angry, was happy, was excited, was terrified.

This book just has the whole package for me.

It was hot but the angst is real!

Nino and Kiara's journey takes a very interesting turn and I actually wasn't sure how this was going to end, it made me a little worried and I felt like with every page I was left going "OH DAMN!" whether that be a good/bad.

However I will say that I completely and utterly loved the bonds all these characters have its very interesting to watch them all grow together and all their personalities put together makes for some explosive, funny, crazy, hot scenes.

This is 100% Nino and Kiara's book however ALL the Falcones are present so if you are a Savio, Adamo, Remo, Fabiano fan they are all there and have some good scenes for themselves too.

This book defiantly has the shock factor, there were scenes I was kind of expecting and then there were scenes I absolutely was not expecting out of no where and they are CRAZY!

This is a very laid out book, it give you the right amount of every aspect I often find that I get bored or the books I try and read are too rushed but with Cora's book they are so very detailed and thought through that her books aren't overwhelming and rushed and that is something I love and it's why these are my favourite books.

Twisted bonds for me is amazing Nino and Kiara were a couple I hoped that got everything they ever wanted and I'm not going to say whether they did or not ... you'll read for yourself ;)

It will open up new stories for those who are next with a Big Bang.

Thank you Cora for your hard work and dedication because it really pays off the work you do is truly amazing and we love your babies with all our hearts. ...more

Twisted Bonds is the continuation of Twisted Emotions, Nino and Kiara's story. The book starts where Twisted Emotions ended and catches Twisted Pride events so I really advise people to read the previous books before starting this one.

I really really loved this book. I didn't connect that fast with Kiara and Nino in Twisted Emotions (love the book) but it changed with Twisted Bonds. While I felt there was something missing in Twisted Emotions, this book filled those blank spaces. We get to see Twisted Bonds is the continuation of Twisted Emotions, Nino and Kiara's story. The book starts where Twisted Emotions ended and catches Twisted Pride events so I really advise people to read the previous books before starting this one.

I really really loved this book. I didn't connect that fast with Kiara and Nino in Twisted Emotions (love the book) but it changed with Twisted Bonds. While I felt there was something missing in Twisted Emotions, this book filled those blank spaces. We get to see them evolving individually and as couple, and I absolutely fell in love with Nino. He changed since Twisted Emotions yet still feels the same Nino, still truthful to himself and it was nice to follow him in this journey of self discovery. I really liked Kiara, she finally came out of her shell and became someone confident, strong, outspoken and even though I didn't agree with some things, her sweet innocent nature is the perfect fit for Nino. They're a very balanced couple and I loved how they stay strong and side by side, supporting each other, chasing away their fears together. Nino's devotion to Kiara is so adorable specially coming from someone who repressed emotions.

But what I really loved about this book, was the secondary characters. They play a big role and stand out so much in Twisted Bonds but the author was able to make them have a strong presence without overshadow Nino and Kiara.

There's drama on this book but again, I loved it. I cried and my heart almost exploded with pain but I'm thankful the author didn't drag the situation beyond necessary. I never knew I could care so much, feel so much for fictional characters until Twisted Bonds. But then, it just made them all strong, their bond is unique and if there's something the drama and Twisted Bonds showed, is the real definition of family, love and loyalty.

Twisted Bonds was the book we all needed, it brings closure to Twisted Emotions. The book is filled with romance, family moments, action, struggles, anguish, Falcone's humor. It also opens the door for future books for the other Falcone brothers but also other characters that I hope the author will explore one day.

---

Twisted Bonds

If you felt Twisted Emotions was incomplete, if you love the Falcone brothers and want to get to know them better, if you want to see the family dynamics after the female characters became part of the family, this book will deliver everything you need.

## Twisted Bond Read Online

I don't know how it's possible to love Nino and Kiara even more..... but I guess after reading Twisted Bonds, I found out that it's possible.

What I love about Twisted Bonds is that it doesn't only focus on its central characters but also the secondary characters.

The scenes between the Falcone family was everything!

Absolutely cannot wait to read about Savio and Gemma.

• Nothing worth having comes easy or without a fight. •

Given that Nino is my favorite character from The Camorra Chronicles series, I was waiting with bated breath for this book. And heaven almighty, the wait was so worth it! I fell even more in love with Nino, Kiara and the rest of the family. This story made me shocked, distraught and furious. I was blown away, upset and freaked out. But every negative emotion I've been through has led me to the great joy, because these Falcone men? They'll do it! • Nothing worth having comes easy or without a fight. •

Given that Nino is my favorite character from The Camorra Chronicles series, I was waiting with bated breath for this book. And heaven almighty, the wait was so worth it! I fell even more in love with Nino, Kiara and the rest of the family. This story made me shocked, distraught and furious. I was blown away, upset and freaked out. But every negative emotion I've been through has led me to the great joy, because these Falcone men? They'll do literally anything to keep their family safe. Even if it means opening old wounds and facing ghosts of the past.

This story gave me chills. It was so action-packed and so full of unexpected twists, that I couldn't get ahold of my emotions. I shared Kiara's hopes and worries, I could feel her disappointment and fear of losing her loved ones. She was dealing with her own letdown and as a consequence it was pulling out the dreadful memories. Nino's encouragement and determination made me fall madly in love with him. The Falcones certainly didn't have an easy life and just when they thought that they had gotten over the past everything collapsed like a house of cards. The old threat reared its ugly head and jeopardized the chance for happy ending. But the Falcones, the most dangerous and ruthless men in Las Vegas, won't stop until they bury any potential risk six feet under. I loved them all so much! They all have bad qualities, but for their women and kids they'll do literally anything. Their protectiveness has no bounds. They're #FamilyGoals!

As a big fan of mafia romances I'm delighted with Twisted Bonds. This book has everything I'm

## Twisted Bonds

looking for in this genre- the thrill, suspense and palpable intensity. The characters are brilliantly created and the storyline kept me hypnotized from start to the ending. I hope that Cora Reilly will keep writing mafia books, because I'm addicted to her stories and like some kind of junkie I'm constantly looking forward for my next fix!

\*ARC received in exchange for an honest review. ...more

## Twisted Bonds Cora Reilly Kobo

Sadly this book was only ok for me. I think it's more that I'm not one who needs more than one book for a couple if their story was a HFN, as I prefer to be updated on them in other characters books sporadically, or even in a short novella. And I'm also not someone who likes to read events that already happened through someone else's POV who wasn't in the original story. It's just personal preference. That being said there is some actual forward progress in this book for the Falcone family and in the Camorra world. The new things were what made this story ok for me. There's a bit of forward progress, some situations (people) from the first few books resolved, and then some new storylines sort of vaguely set up for Adamo & Savio's book.

So essentially if you finished Twisted Emotions and wanted more Kiara and Nino together in their POV, then you will enjoy this story overall.

I'm just ready for Savio & Adamo to get their stories! ...more

Well,Cora..you just had to go there. Didn't you..

After teasing us mercilessly in the group, you finally delivered.

Guys.. This story.. This after HEA..
